Umatilla County Agricultural Burn Ban during Pendleton Round Up September 6 - 14, 2008

Pendleton, Ore. – The Umatilla County Emergency Management reminds farmers in Umatilla County that an agricultural burn ban will be in effect during the Pendleton Round Up.

The Umatilla County Smoke Management Ordinance designates that no open burning is allowed in Umatilla County from the Saturday preceding to Sunday following the Pendleton Round Up.

Between September 6 through September 14:

- The burn ban applies to all agricultural burns of lands both within and outside of a Fire District.
- Small burns (less than two acres) and barrels are regulated by Fire Districts. Most Fire Districts within the county currently have burn bans in effect.

For more information on the Umatilla County Smoke Management Program, call Umatilla County Emergency Management at (541) 966-3705.
