Recording customers are encouraged to submit documents for recording either through e-recording via Simplifile, Corporation Service Company, Indecomm Global Services, or Electronic Recording Partners Network or via U.S. Mail.

Marriage Licensing Applicants should pre-apply online at the County's website and follow up with an appointment to sign and pay for the license.

Passport Applicants must bring **completed** application with supporting documents and payment. No more than two applicants per 15-minute period.

Access to the Record Research Room is closed for the time being. Copy requests can be fulfilled online as time allows via email records@umatillacounty.net utilizing debit/credit card payments or by check through U.S. Mail.

Please refer to the County's website for further information on services and updates to this policy.

Thank you for your patience.
