FROM (DEPT/ DIVISION): UCSO/Criminal

PROGRAM: 1560

SUBJECT: Purchase of Rugged Laptop

<p>Background:</p> <p>The Sheriff’s Office uses laptop computers in the patrol cars as Mobile Data Terminals (MDT). These MDT’s let deputies access information in the field on calls for service, persons records, case information, etc. The MDT is a vital piece of equipment in each patrol vehicle. UCSO’s marine/ATV deputies work in areas and conditions that are rather inhospitable to computers. For this reason, we are looking to equip these deputies with rugged laptops that can withstand the elements so they can be used not only in their patrol vehicles, but also on the boats while patrolling waterways, and in the UTV’s while patrolling the ATV trails.</p> <p>IT has helped us identify the Toughbook 40 ruggedized laptop as the best choice for this purpose. They received a quote from Price Computers to purchase one Toughbook for a cost of \$5,394.00. This would be charged to the budget under program 1560 line 59109 (Marine Expense).</p>	<p>() <u>ACTION REQUESTED:</u></p> <p>Approve purchase of One (1) Toughbook 40 rugged laptop computer from Price Computers for a total cost of \$5,394.00.</p>
