Request for Proposal
Sams Road Steel Bridge

Umatilla County is requesting proposals for the purchase of a prefabricated modular steel vehicular bridge. The bridge must have a clear roadway width of 12 feet and a center of bearing to center of bearing span length of 50 feet. Bridge railings shall be listed as an option. Railing connections must be provided. Fabricated steel backwalls for each end of the bridge shall be listed as an option. The Bridge must be of modular construction of 4 or less primary components and not “piece built” on site. Due to regional wildfire issues NO PART of the bridge can be of built of wood or combustible material. All bridge components must have attachment points or hoist links for easy install. Bridge to be of raw steel or weathering steel.

The bridge superstructure shall be designed by the manufacturer for at minimum a 50 ton live load and shall include design drawings stamped and signed by an Oregon Professional Engineer. The proposal shall include design, fabrication, and delivery of all bridge components to the project site near the intersection of Dry Creek Road and Sams Road just South of Milton-Freewater, Oregon, in Umatilla County. Both price and delivery date will be taken into account in determining the best option for Umatilla County.

Proposals shall be made lump sum and include all costs to design, fabricate, and deliver the bridge to the site. Unloading of the bridge components at the site will be performed by others.

Proposals shall be submitted by mail or hand delivered to the Umatilla County Public Works Director's office at 3920 Westgate Street, Pendleton, Oregon, 97801, no later than 4:00 PM on August 17 2026. Proposals shall be clearly marked “Sams Road Steel Bridge Proposal”. Further information may be obtained by contacting Tom Fellows at Umatilla County at 541 278-5424.

Umatilla County may reject any proposal not in compliance with all prescribed public bidding procedures and requirements and reserves the right to reject any or all proposals and to accept the proposal deemed to be in the public interest.
