We your viewers appointed in the matter of Road Survey No 360, respectfully beg leave to report that we met J. H. Farvey, Surveyor at time and place named. We called to our aid John McRae and Edward Keeney to act as chainmen and markers and were each and each of our assistants duly qualified by the Surveyor as directed by law and proceeded forthwith to view, survey and locate said road as prayed for in the petition for the same. We find the route selected to be a good^d practicable one and recommend that the petition be granted and road No 360 be declared a County road.
