

OREGON CORNER RESTORATION FORM

Section 6 Township 3N Range 33E
County Umatilla Date: 03/15/11

Corner Designation: 3N33A1

Section corner common to T3N33ES6, T3N32S1, T4N32S36, T4N33ES31

Condition Report Only
 Not Found
 Remonumented
 Unrecorded
 Surveyed In
 Referenced Out

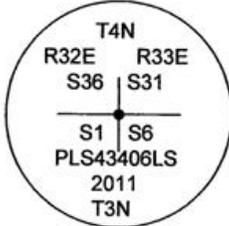

Previous Renewals / Surveys, etc.

Originally Surveyed by Thompson in 1864. He set a post in a mound of earth. Tomkins set a 2 1/2" brass cap in 2002, we do not accept this corner as it was proportioned from miles away and the Umatilla County Road notes specifically calls what is now known as Midway Road passes through the terminus of what is now known as McCormach Road being the Northwest corner of section 6, T3N R33E. Tomkins corner falls 85' m/l North and slightly West of the road intersection.

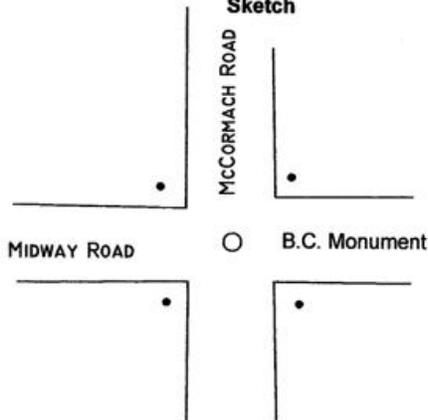

Monuments and Accessories Found: (Condition and Source)

None.
